EXPERIENCE

Web Developer intern   May 2024 - Present
Mind Aviator Group
- Developed and maintained web applications using HTML5, CSS, Bootstrap 5, and PHP.
- Implemented responsive web designs to ensure compatibility across various devices.
- Utilized PHP for backend development to create dynamic and interactive web pages.
- Collaborated with the development team to design and implement user-friendly interfaces.
- Worked closely with clients to gather requirements and deliver customized solutions.

TECHNICAL SKILLS

Software/Tools: Microsoft Office, Microsoft Word, Visual Studio Code, Github , Git , phpMyAdmin, MYSQL ;
 Programming Languages: basic Core Java, C, HTML5 , CSS3, PHP, JS;

PROJECTS

PHP Project: Student Management System: Link   July - 2024
- **Developed a web-based Student Management System** using PHP for handling and displaying student records efficiently.
- **Implemented CRUD operations** (Create, Read, Update, Delete) for managing student data, enhancing data handling capabilities.
- **Created an intuitive admin interface** with search functionality to filter student records by ID, name, or email, improving data accessibility.
- **Implemented pagination** for efficient data presentation, ensuring a seamless user experience with large datasets.
- **Added export functionality** to allow data export in various formats, facilitating easy data sharing and reporting.

Independent Project : Link   May- 2024
- **Developed a comprehensive landing page** using HTML5 and CSS3, demonstrating proficiency in front-end web development.
- **Designed and implemented a responsive layout,** ensuring compatibility across various devices and screen sizes.
- **Utilized modern CSS techniques** such as Flexbox and Grid to create a visually appealing and user-friendly interface.
- **Ensured cross-browser compatibility** by testing the landing page on multiple browsers including Chrome, Firefox, and Edge.

clone of artstudiosaln: link   July-2024
- **Developed a clone webpage for Art Studio Salon** using HTML, CSS3, and Bootstrap 5, demonstrating advanced front-end development skills.
- **Implemented a responsive design** to ensure seamless viewing on various devices, enhancing user experience across mobile, tablet, and desktop screens.
- **Optimized the webpage for performance**, ensuring fast load times and a smooth user experience.
